NOMADS
FOUNDATION

The mission of the *Nomads Foundation* is to **support and grow the Swiss innovation ecosystem** via collaboration with the finest global startup hubs, industry leaders and research institutes.

WHO WE ARE

“Propelling Geneva
in the digital
innovation era”

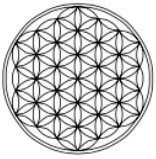

Branded as the “**Startup Nation**”, in just a few years, Israel has managed to develop some startling innovation methods.

The Tel Aviv ecosystem is #2 worldwide after the Silicon Valley. Its proximity and synergy to the **Geneva-Lausanne ecosystem** makes it the ideal partner. *Nomads Foundation* has therefore prioritised facilitating the Swiss-Israel connections.

It will focus on startup communities, **bridging entrepreneurs, accelerators, incubators, investors, government and public services**. Other strong bonds with notable startups ecosystems around the world will similarly be established.

Nomads Foundation's objectives, through the development of its own startup incubator in Geneva, is to **accelerate the growth of innovative ventures, initiatives and talent pool in the Lemman area**. This will be done by attracting foreign and keeping innovative Swiss entrepreneurs in the region, encouraging collaboration, and stimulating a culture of entrepreneurship, learning and the sharing of best practices.
