

## Press Release

### **eps value repositioned and with a new name**

Peter Letter and Marco Fantelli acquire all shares and reposition the company as a partnership

Zurich, July 6, 2011. Peter Letter, up to now CEO and co-founder, and Marco Fantelli acquired all shares of the company. As part of the rearrangement of the relationship between New Value and EPS Value Plus AG, Rolf Wägli, founder and former President of the Board of Directors of EPS Value Plus AG, is leaving EPS to focus on his role at New Value, Simultaneously the company was renamed:

**eps value ag**  
equity portfolio services

Marco Fantelli has been with EPS since 2010. A former food industry CFO and CEO for 15 years, he spent the last four years gaining additional operations experience as a management consultant to small and medium-sized businesses.

#### About eps value ag:

eps value ag has made a name for itself in managing private equity investments, particularly in the cleantech and health industries. eps value ag positions itself as a service provider in the private equity market in Switzerland and the German-speaking region. With its broad network of contacts and many years of experience in direct investments in private equity, eps value ag offers both private and institutional investors access to opportunities in this market and helps to enhance existing participations and portfolios. Its range of services comprises portfolio management, portfolio development, development of enterprises and financing.
